Voice of Praise
Resound

Album 11 – In Your Presence – Songs of Surrender and Intimate Worship

Song 1 I Will Make the Voice of Praise

Psalm 26 (vindicate me, O Lord, for I have walked in my integrity; I will bless the Lord in the great congregation); Psalm 27:4 (“One thing have I asked of the Lord... to gaze upon the beauty of the Lord and to inquire in his temple”); Psalm 100 (make a joyful noise to the Lord)

I will make the voice of praise resound with joy
Your wonders all I'll tell, with heart and voice employ
Longing for Your temple, Lord, Your house so grand
I'll praise Your glory, lift my hands

O God divine, Your praise my soul will fill with light
I'll exalt, I'll exalt, Your majesty takes flight

I'll praise, I'll praise Your glory, sing it loud and clear (2)
I'll tell, I'll tell Your wonders, let the world all hear (2)

O King of love, Your praise my joy will overflow
I'll declare, I'll declare, Your miracles to know

O Lord, You test me, search my soul so deep
By Your truth I walk, Your promise I keep

O Lord, You weigh my heart, refine its fire
By Your grace I live, Your mercy my desire

O Lord my strength, Your testing makes my spirit pure
I'll walk, I'll walk, Your truth my path secure

I live, I live by Your grace, Your love so free (2)
I walk, I walk by Your truth, eternally (2)

O God of life, Your grace my days will lengthen true
I live, I live, in Your love I renew

O Lord, You judge me right, my upright way You see
By my integrity, I walk in purity

O Lord, I trust in You, my faith is strong and true
In Your assemblies, I will praise and worship You

O Love divine, Your justice lights my steadfast road
I trust, I trust, Your praise my heart's abode

I'll praise, I'll praise You everywhere, in every place (2)
I'll walk, I'll walk for You, in Your unending grace (2)

O King eternal, Your praise my spirit will ignite
I'll walk, I'll walk, in Your path of light

I will make the voice of praise resound with joy
Your wonders all I'll tell, with heart and voice employ
Longing for Your temple, Lord, Your house so grand
I'll praise Your glory, lift my hands

O God divine, Your praise my soul will fill with light
I'll exalt, I'll exalt, Your majesty takes flight
