

Song 2 I Wait for the Lord

Psalm 27 (the Lord is my light and salvation; one thing I ask — to dwell in the house of the Lord; wait for the Lord); Psalm 130:5–6 (“I wait for the Lord, my soul waits”); Isaiah 40:31 (“They who wait for the Lord shall renew their strength”)

I wait for the Lord, my heart on Him I fix
I watch for my Beloved, in faith my soul does mix
Among the living lands, Your goodness I'll behold
You teach my way in purity, Your path of gold
Though father and mother forsake, You'll take me in
Your love my home, where grace and peace begin

O Lord my hope, Your love my soul will fill with peace
I wait, I wait, Your goodness never cease

Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia

O God of light, Your Alleluia lifts my heart so high
Aa-ha, Aa-ha, Your praise will never die

Hide not Your face from me, O Lord, my plea I raise
Cast not Your servant far, in mercy meet my gaze
I call to You, Your heart relents, Your grace bestows
I seek Your face, You bless my soul, Your love overflows

O King divine, Your face my path will brightly show
I call, I call, Your blessing makes me glow

Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia

O Lord of grace, Your Alleluia stirs my spirit free
Aa-ha, Aa-ha, Your song eternally

Hide me in Your tabernacle, Lord, Your shelter keep
On Your holy hill, O God, my soul in safety sleep
My head You lift above my foes, their power undone
With joyful sacrifices, Lord, Your praise I've won

O God my shield, Your hill my heart will ever seek
You lift, You lift, Your praise my joy complete

Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia

O Savior true, Your Alleluia sets my spirit flight
Aa-ha, Aa-ha, Your love my endless light

I sought from You, O Lord, and find what I desire
Your glory I behold, my heart in holy fire
In Your house I search, Your courts my soul to dwell
All my living days, in Your temple I'll excel

O King of kings, Your glory my eyes will ever see
I seek, I seek, Your house my eternity

Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia
Aa... Aa-ha... Alleluia

O God of song, Your Alleluia fills my days with glee
Aa-ha, Aa-ha, Your praise eternally

The Lord my light, my salvation, whom shall I fear?
The Lord my strength, my life, no foe draws near

O Lord my fortress, Your light my fears dispel
I fear no one, I fear no one, in Your strength I dwell

I wait for the Lord, my heart on Him I fix
I watch for my Beloved, in faith my soul does mix
Among the living lands, Your goodness I'll behold
You teach my way in purity, Your path of gold
Though father and mother forsake, You'll take me in
Your love my home, where grace and peace begin

O Lord my hope, Your love my soul will fill with peace
I wait, I wait, Your goodness never cease
